CAMP CLOVER

2018 Weekly Themes

Our experienced camp leaders know which games and activities campers love best! Each weekly theme has been chosen with activities in mind to bring more to your child's experience. Campers will still participate in core camp activities such as swimming, canoeing, archery, and forest exploration.

Week 1: July 3-6
Going Buggy!
What new and exciting insects will be seen in our natural outdoor environment? Campers will search and learn about our buggy friends throughout their day and week at camp.

Week 5: July 30-August 3
Sports Extravaganza
A week of camp wide sports and games where campers will put their best foot or arm forward!

Week 2: July 9-13
Crazy Colours
Pick a colour, any colour! Campers will use the week to explore and experiment with nature and colours to create their own masterpieces!

Week 6: August 7-10
Forest Frenzy
Let's explore the great outdoors and identify the trees that are growing in our vast forest! Campers will find nature's hidden treasures through hikes and group games.

Week 3: July 16-20
Water, Water Everywhere
We are well into the summer and it's time to cool off! Campers will enjoy water games/challenges that will have them forgetting how hot it is outside!

Week 7: August 13-17
Harry Potter - Wizard Week
Welcome to a wonderful week of Hogwarts at Camp! Prepare your wands, hats and capes as you enter the wizarding world of Harry Potter.

Week 4: July 23-27
Wonderful World of Science
Lemons, Mentos and baking soda are just some of the everyday household items campers will use to explore, predict, test and discover.

Week 8: August 20-24
Farewell Summer!
It's our last week at Camp Clover so let's enjoy everything we love about it. Campers will have one last chance to canoe, swim, do some creature questing and enjoy camp wide games before they say farewell.
