

# Camp Clover 2019 Weekly Themes

Our experienced camp leaders know which games and activities campers love best! Each weekly theme has been chosen with activities in mind to bring more to your child's experience. Campers will still participate in core camp activities such as swimming, canoeing, archery, and forest exploration.

Week 1: July 2-5

## Bugs, Bugs Everywhere!

What new and exciting insects will be seen in our natural outdoor environment? Campers will search and learn about our buggy friends throughout their day and week at camp.

Week 2: July 8-12

## Crazy Colours

So many colours to choose from and unlimited possibilities of new ones that can be created! Campers will experiment with colour mixing and will finish off the week with a tie dye creation.

## Splish Splash

We are well into the summer and it's time to cool off! Campers will enjoy water games/challenges that will have them forgetting how hot it is outside!

## Wonderful World of Science

Glue, laundry detergent, baking soda, Mentos and dish soap are just some of the everyday household items campers will use to explore, predict, test and discover.

Week 7: August 12-16

## Carnival Week

It's going to be a topsy-turvy kind of week! Campers will play all kinds of neat carnival games, have their faces painted and create balloon animals.

## Farewell Summer!

It's our last week at Camp Clover so let's enjoy everything we love about it. Campers will have one last chance to canoe, swim, do some creature questing and enjoy camp wide games before they say farewell.
